**Excelsior**  
Multi Academy Trust  
17TH MARCH 2023

Dear Everyone,

Well whilst the snow is beautiful and good fun to play in, it's also great that this time it went as quick as it came. Even though we had not been in school as much the last couple of weeks it is still lovely on a Friday to hear about the wonderful learning that has been happening. It is also wonderful to see and hear about the home learning that has been done and be able to display that. A special shout out this week to Leo in Year 1 who had written a beautiful story and was brave enough to read it out in assembly to everyone. Well Done Leo!

Have a lovely weekend all,

D.Holland  
Headteacher

## Online Safety

We are all aware of the value of the internet and social media but equally we are aware of the downside. Unfortunately school does hear about the unkindness happening outside school and then how that is affecting the children inside school. We regularly work with the children, teaching them how to stay safe and how to let seek help if they are worried about anything. Whilst school has a role to play it can not do it in isolation and the support of parents and carers at home has a key role to play.

Please remember their are clear age restrictions on certain apps with the majority of them being 13 years old. [www.internetmatters.org](http://www.internetmatters.org) and [www.nspcc.org.uk/keeping-children-safe/online-safety](http://www.nspcc.org.uk/keeping-children-safe/online-safety) are websites with lots of great ideas for how to keep your children safe and to have a healthy relationship with social media. The biggest advice is that you get involved in their digital life, have open conversations about what they are saying, seeing and doing so that they know that as their parent you are looking out for them online too.
