10TH JUNE 2022

Dear Everyone,

It is great to be back for one of the busiest half terms in the school calendar. It has already started with the amazing news that Turves Green has been awarded the Gold School Games Mark for 21/22.

The children have been involved in lots of events to support the Commonwealth Games coming to Birmingham this Summer. Year 5 have worked with a visiting artist to make decorations that will adorn a fabulous Pakistani inspired jingle bus. The artist was thrilled with the children's creative talents but also commented on how fabulously respectful and enthusiastic the children all were.

Year 6 children have also been part of a workshop with Pride House where they will be making a music video supporting LGBTIQ+. This will then be played in the Commonwealth Village for all athletes and supporters to see.

Individually it is lovely to recognise Olivia Walker in Year 1 who, after learning the National Anthem in school, was brave enough to sing it by herself in the schoolhouse at the Black Country Museum. Well done Olivia!!

Then we have Bella Wright in Year 3 who was so motivated to raise money for Birmingham Children's Hospital after hearing about it on the radio that she walked 5km everyday in May and the last I saw was well on the way to raising over £700. An amazing achievement Bella!

I wonder who will be doing great things next. Don't forget to share with us your achievements out of school too.

This Weeks Eco Tip

Use LED light bulbs!

Not only do LED light bulbs last longer than conventional bulbs, they're far more efficient too!

This means that you'll be using less power and having to replace your light bulbs less frequently - everyone's a winner.
