Turves Green Primary School Newsletter

13TH OCTOBER 2023

Hello Everyone,

Well, another week of high-quality teaching and learning is over. A very long half-term with another 2 weeks to go but everyone is still soldiering on and enjoying their learning. Year 2 have been moulding with clay and Year 5 have been designing Roman shields ready to make in the near future.

This week was a fantastic opportunity for teachers, parents and carers to share in children's learning that has taken place so far this academic year. The progress that children have already made is amazing and long may it continue. It's always so nice to welcome parents and carers in. We hope you enjoyed looking at our displays of work, children's books and seeing where everyone's new classroom is located. Thank you to everyone who was able to attend. We look forward to seeing you next time.

Last year, Eco Council worked hard to gain an award by making changes in school to become more eco-friendly. Finally, our Eco Flag has arrived and is proudly displayed outside the Year 3 classrooms. Also, in recognition of their hard work, 'JUST ONE Tree by Eco-Schools' has

planted a tree in our honour. Our new School Parliament will be working towards continuing the great work we started last year.

Friday was an important day as many children received their flu vaccine. Everyone was very brave and, hopefully, we are much more protected against flu which will help to improve attendance over the coming winter months.

Have a great weekend!

Miss Foster-Clee Behaviour Lead Assistant Headteacher

Please be mindful of local residents and businesses when parking at the beginning and the end of the school day. A number of local residents and King Edward VI Northfield School for Girls have advised that there are vehicles blocking access to their buildings regularly.

Please be considerate of others by refraining from smoking in the immediate area by the school gates.

Have a conversation about the story behind these pictures which were shown in our No Outsiders assembly this week and how it links to No Outsiders and **British Values:**

Makaton

Makaton is a unique language programme that uses symbols, signs and speech to enable people to communicate. It supports the development of essential communication skills such as attention and listening, comprehension, memory, recall and organisation of language and expression.

Each week, we will be learning four new words. Please see below this weeks words to practise at home.
