

Turves Green Primary School Newsletter

14TH JUNE 2024

Dear Everyone,

Fingers crossed at some point the sun does decide to shine and the summer actually starts. The weather hasn't deterred us this week though.

Our School Parliament have been out representing school by delivering a presentation to all the Excelsior schools, Mrs Pulley and Mr Smart. They talked about the outcomes of this years action plan and their vision for the future. They were praised for their polished performance, great oracy skills and being amazing ambassadors of Turves Green. School Parliament have also had the opportunity to work alongside Citi serve, food tasting possible options to improve the school menu and offer more variety.

Our year 2 children were amazing in their assembly. Their knowledge and learning shone through and they did so well to speak out in front of such a large audience. Well done to everyone for taking part!!

Sports day will take place on Wednesday 10th July and you will be invited to come and watch the children be sporty, so we are really hoping for the sun to be shining by then.

Here's hoping for a slightly drier weekend. With the Euros starting this weekend, I hope your team wins! I'll be keeping my eye on the cricket hoping that England qualify for the super 8!

Have a lovely weekend whatever you're up to!

SEN Information Report Review

If you have a child with a Special Educational Need or Disability (SEND) then we need you!

Please come and help us review our Information Report on 8th July at 2pm in school.

What is a SEN Information Report?

The report explains how the SEN policy is applied at Turves Green Primary.

For example, how we help and support pupils, who does what role, what resources are available etc. It is a reflection upon the past academic year and therefore your input is vital so that the information is:

- accurate
- accessible to future parents
- allows us to assess what is working and what our next steps are.

Please join us!

With thanks,

Laura Allden (AHT and Inclusion Lead)

This week was a new experience for School Parliament as they received a special visit from Brakes - the company providing school dinners.

Brakes want to change the menu for the new academic year but thought it would be a great idea for the children to do the taste-testing and make the choices of products.

We taste-tested a variety of possible new drinks, a selection of new sausages and a variety of chicken types. Thank goodness we tried because we definitely knew which chicken was a little too dry for our liking and which pieces were delicious and juicy. We can't wait to see our selections on the new menu in September!!

Have a conversation about the story behind the picture that was shown in our No Outsiders assembly this week and how it links to No Outsiders and British Values:
