14TH OCTOBER 2022

Dear everyone,

Thank you again for all the contributions for our harvest collection. We are excited to welcome parents and carers back into school for our events. Please note that our Harvest Celebration it is being delivered by Key Stage 2 children (Years 3 - 6) so we ask that only those parents/carers of children in Key Stage 2 attend. Key Stage 1 parents/carers will be invited along to our nativity/Christmas performance at the end of term.

This week our youngest children have been taking part in balance ability. The weather has been kind and they have learnt a whole new range of skills to support them in their gross motor development and to support them when it comes to riding a bike.

We work hard in school to keep the children safe and happy and immersed in activities that are age appropriate. It has come to our attention that some children are playing a game involving 'Huggy Wuggy' and are bringing toys to school. Having looked at this on [saferschools.co.uk](https://www.saferschools.co.uk) it is advised that this is not a game or video to be shared with younger children. We ask you to respect that whilst you may deem it appropriate for your child it can have a negative effect on others and refrain from bringing any such toys into school.

We also ask for your co-operation with parking around school. It is increasingly dangerous when cars are double parked, and buses are trying to get up and the road and children are trying to get to and from school. Unfortunately, we do not have spare parking and the use of the disabled spaces is not an option.

These spaces are for children who attend our school, and it is vital that they are free and accessible at all times.

Next week is parent/carers consultation week and we hope to see all of you in school to discuss your child's progress with their teachers. Please book your appointment through Arbor.

Wednesday is our Open Day so if you are aware of any parents/carers with children due to start school in September please make them aware.

Have a great weekend,

Inclusion Corner

Yesterday, we held our first coffee morning of the year in which we were joined by Matt Blackburn our Communication and Autism Team (CAT) teacher. We talked through challenges and also problem-solved and shared possible strategies. Thanks for everyone who joined us! If you missed it, the minutes are attached including what we will be covering next time on 14.11.22. Next, we will be holding a speech and language coffee morning aimed at EYFS and Year 1, although as always, everyone is welcome to join. It will be on 10.11.22 9-10am.

Disabled Parking

Please do not park in the disabled car parking spaces unless you are collecting or dropping off a child with a disability.

The spaces will now be supervised before and after school.
