15TH MARCH 2024

Dear Everyone

It has been a busy week in school with lots to celebrate. Our Year 3 children had the opportunity to go to a badminton experience day. In the morning, they watched the professionals and in the afternoon they took part in various badminton activities and even played against an England doubles player!

We really enjoyed 5E's class assembly, following on from 5M's successful one last week. It was lovely to be able to open the doors to parents to invite them to see what their children had been learning. The children were great. Thank you to those who were able to make it.

We have been showing our support for Red Nose Day today by wearing red or something funny. There have been some outfits that have given us a good opportunity to smile!

Next Wednesday and Thursday is parent's evening. If you have not yet made an appointment, you can book a slot via Arbor. It is a really good opportunity to find out how your child is doing in school and talk to their class teacher.

We finish for the Easter break next Friday, so one more week of learning in school before the children have a well earned break. Let's all be here everyday to make the most of all the learning that happens.

Have a lovely weekend and we will see you next week.

Mrs Harker-Daniels  
Deputy Headteacher

## Upcoming events:

Parent/ Carer Consultation  
20.03.24 - 21.03.24  
Please book on Arbor

**NO SATS BOOSTERS CLUB  
ON THURSDAY 21ST MARCH**

WEDNESDAY	No before or afterschool clubs	FRIDAY	No before or afterschool clubs

## Inclusion Corner Sensory Support

In school, we support all children's emotional learning by using the Zones of Regulation. This approach values all emotions and acknowledges that we all feel them. When we are aware of our emotions then we are more able to identify strategies to help us regulate or maintain them and this is what we teach in school.

The BLUE zone	The GREEN zone	The YELLOW zone	The RED zone
			
How might you feel?	How might you feel?	How might you feel?	How might you feel?
sad tired bored moving slowly	happy okay focussed ready to learn	nervous confused silly not ready to learn	angry frustrated scared out of control
What might help you?	What might help you?	What might help you?	What might help you?
Talk to someone Stretch Take a brain break Stand Take a walk Close my eyes	The goal of this exercise is to get to the GREEN zone. What can you do to be happy, calm and ready to learn?	Talk to someone Count to 20 Take deep breaths Squeeze something Draw a picture Take a brain break	Stop what I'm doing Make sensible choices Take deep breaths Ask for a break Find a safe space Ask for help

This approach can be replicated at home by using the same language as shown in the image above. The Zones of Regulation website has lots of useful further information, for example:

### ZoR At Home Check In

### How it Works | The Zones of Regulation

### What are the Four Zones of Regulation? - The Zones of Regulation

An 'At Home Check In' resource is also attached courtesy of The Zones of Regulation website also.

Have a happy (but all other emotions are okay!) weekend.

Laura Alden  
(Inclusion Lead/ AHT)
