18TH NOVEMBER 2022

Dear Everyone,

What a colourful end to the week. Thank you for all your donations to Children in Need, it was lovely to see all the spots and Pudsey ears.

The children all enjoyed their spotty cookies at lunchtime. We raised a massive £302.64 Thank you!!

In this afternoon's assembly it was wonderful to hear from Lacey and Alex about a successful bid they wrote to get some money to fund inclusive playground equipment. They spoke with such confidence and clarity about the bid process and what the impact will be .... a massive well done both!! You should have received our Christmas dates letter about the activities happening over the coming weeks. Please note that we are asking you donate chocolate for our tombola when the children wear their non-uniform on December 2nd.

Christmas Jumper day Friday 9th December is for children to wear a Christmas jumper if they wish instead of their school jumper. School skirts or trousers should be worn as usual.

I enjoyed my hot chocolate with our winners this afternoon and the big debate about Christmas trees being put up in November. I think we concluded that Christmas lights are pretty and cheer you up. Thinking about our No Outsiders curriculum it is ok to have a different opinion to someone else as long as our opinions do not cause harm. So, if your lights are going up this weekend enjoy them cheering up the dark nights.

Please can the KS1 door ramps be kept clear in the mornings as some of the smaller children find it difficult to get through the crowds that are beginning to form.

## Inclusion Corner

Well done Toby for taking part in two Remembrance Parades last weekend with Kings Norton Youth Marching Band. He played the cymbals really well. On Saturday he played in Longbridge Town Centre and Sunday he played in Wythall.

Transitional objects are things that we can touch and hold on to that can help us feel safe or give us comfort. If a child is regularly anxious or upset about leaving their parent or caregiver, we may suggest the use of a transition object to support them from being dependent to independent; to support them to 'feel' that their loved one is with them throughout the day. Transition objects should fit into a pocket so that they can be squeezed or small enough to store in a bag/locker if less needed once in school. Ideas include: a folded-up letter, a photo, a miniature toy of significance. Transition objects are a part of our provision, so it is really important that any objects have been agreed with a member of Senior leadership team as part of a wider plan to ensure they are successful.
