20TH OCTOBER 2023

Hello Everyone,

What a wet and wild end to the week! Luckily, this hasn't impacted the amazing learning in school. We have had a few different visitors in school this week and it has been a pleasure to take them around the classrooms to see the children's learning and the things that the teachers are doing to really support and make teaching great.

On Tuesday, our Year 6 children took part in a poetry workshop with visiting poet Giovanni Esposito (Spoz). They learnt and explored language for their poems and then worked together to write a poem about their ideal library. The teachers were really impressed with the children's ideas and how well they worked with the poet and each other.

We also had our open day and evening on Wednesday. It was wonderful to welcome so many new families, and some of our existing families, into school and share everything that goes on in school.

Next week is the last week in school before half term. We know some of the children are feeling tired and are ready for their break, but one last push! We can do it! 😊

Have a lovely weekend.

Inclusion Corner - Today is World DLD Awareness Day!

Developmental Language Disorder (DLD) is referred to as "The most common childhood disability you've never heard of." This is due to 7.6% of the population having it, which is equivalent to 1 in every 14 people or 2 children in every average UK school class. DLD causes difficulties with understanding and using language for no known reason. The 2023 DLD day theme is DLD Around the World, highlighting that DLD occurs in every language.

For support, please see the attached information.

- Attached to this newsletter: Two DLD support sheets for parents and carers.

Weekly Assembly

EVERYONE IS WELCOME IN OUR SCHOOL.
No one is the same, but everyone is equal.

Have a conversation about the story behind these pictures which were shown in our No Outsiders assembly this week and how it links to No Outsiders and British Values:

Makaton

Makaton is a unique language programme that uses symbols, signs and speech to enable people to communicate. It supports the development of essential communication skills such as attention and listening, comprehension, memory, recall and organisation of language and expression.

Each week, we will be learning four new words. Please see below this weeks words to practise at home.
