

Turves Green Primary School Newsletter

23RD SEPTEMBER 2022

Dear everyone,

We have managed to fit a lot into a 4 day week this week. Year 5 children have continued going swimming, Year 4 children have started their guitar lessons alongside the normal hustle and bustle of busy school day.

As part of Excelsior Multi Academy Trust we embrace their 4 values (cornerstones) This half term we are focusing on one of these values in particular...

- Succeeding Together. Alone you are good, but together we are amazing!

To support parents and carers at home with this we are in the process of compiling a handy booklet of dates so that you are aware of when events, assemblies, workshops and other things are happening in school so that you are able to come and join us.

After half term we hope to begin a Parent/Carer Forum. This will take the form of a nominated and voted for representative from each class to attend a half termly meeting to support the aims and vision of the school. More details of this will be available in the next couple of weeks.

To ensure we succeed together and that your children get the very best from school life it is so important that they are here on time every day. Even 5 minutes late means 25 minutes over a week. That could be the difference of having specific targeted intervention or even knowing the new sound being learnt for the week. We are asking you to sign in late children in the mornings for safeguarding and monitoring purposes. We will also be asking that you come into the office to sign the children out if you are later than 3:20pm to pick your children up.

Have a great weekend,
D.Holland

INCLUSION NEWS

Introducing our new CAT teacher...

At Turves Green we work in partnership with a variety of external agencies, whose expertise can support our children, our staff team and families in our community. The Communication and Autism Team (CAT) work closely with our children with social communication needs or with those with an autism diagnosis. Our new CAT teacher, Matt Blackburn, is keen to meet the children and families on our CAT caseload. He will be joining us for a coffee morning on Thursday 13th October, where he will be leading us in discussions around challenges, successes and problem solving for our children with social communication needs. We look forward to working with him and utilising his expertise!

- Laura Ailden (AHT, Inclusion Lead)
