Multi Academy Trust

26TH MAY 2023

Dear Everyone,

What a busy week it has been in school! Alongside the excellent learning that takes place in school everyday, we have also enjoyed taking Year 6 on their residential trip to Boundless Outdoors. The children thoroughly enjoyed the activities they took part in, including: high ropes, climbing wall, caving and night-time walks. I know some of the adults also pushed themselves to take part in all of the activities! We are sure they are all ready for a well-earned rest over half term.

We also need to say a huge **WELL DONE!** to our Year 2 children who have now completed their end of key stage assessments. They have worked so hard and tried their very best. We are all proud of them.

This week we have had Flexi Friday, which has included Science investigations into changing states in Year 4, learning about seed dispersal in Year 3 and tasting foods for bread making in Year 5.

EYFS had their superhero exhibition this afternoon, which showcased their learning brilliantly and I know that parents and carers who were able to come in really enjoyed seeing what the children have produced in school. Well done EYFS!

We hope you all have a restful, sunny and enjoyable half term break. We look forward to welcoming you back to school on Monday 5th June.

G.Harker-Daniels
Deputy Headteacher

Inclusion Corner One Page Profiles

A One Page Profile (OPP) is a summary of what is important to and for a child.

What is important for people, includes only those things that need to be present in a person's life for them to be:

- healthy, safe and achieve
- What others see as important to help the person to be a valued member of their community.

What is important to a person includes only what people are 'saying'

- with their words
- with their behaviour

When words and behaviour are in conflict, listen to the behaviour

We use them in school to share important information with adults who work with the child, for example, supply teachers. The OPPs state details that are essential adults know so that the child can be 'healthy, safe and achieve'.

Not every child needs a OPP. Not every child with a Special Educational Need requires a OPP. Sometimes children not on the SEND register require a OPP, for example, if they have English as an Additional Language or a friendship need.

OPP's are jointly created with the child, families, school staff and, if appropriate, outside agencies.

If you receive a blank OPP profile to add to, please include any information you can to help us gain a rounded picture of your child. We are also happy to help you complete the sheet.

Have a lovely break.

Laura Allden (AHT and Inclusion Lead)
