27TH JANUARY 2023

Dear Everyone,

What a fabulous end to a busy week.

Flexi Friday has a certain buzz to it because so many learning opportunities are explored. Reception have been doing marvellous Chinese dragon dancing, Year 2, 3 and 5 have been creative using collage or dancing looking at famous artists and very special dances. The smell of baking from Year 4 has made us all feel very hungry!

I must talk about last night though, 27 children from Year 5 and Year 6 were part of a choir that amounted to 5000 children. They took part in an amazing event at Resorts World called Young voices, they were able to perform alongside street dancers, beat boxers and even sing with Heather Small!! It was an amazing experience and even though we are all a bit tired it was definitely worth every extra yawn we might have today. These events are really special and we are so lucky to have staff give their time to facilitate them. So big thanks to Mr Millington for leading the choir and all the practices, a big thanks to all the staff who supported on the day/night. But I would like to give a special thanks to Ms Taylor who's organisational prowess, often unseen, ensures that everyone ends up in the right place at the right time with everything they need.

Have a great weekend everyone.

Social Media. We are receiving an increasing number of reports about the inappropriate language and conversations on social media amongst our KS2 children. We would be grateful if you could support us in this by checking and monitoring messages as some messages are having a very negative impact on our children's wellbeing.

Please remember that the Whatsapp developers state that the minimum age for their platform is 16 years old. For further guidance visit: WhatsApp safety: a how to guide for parents - Internet Matters

## Inclusion Corner

### Whizz Kidz

I wanted to take a break from sharing information about the SEN Code of Practice to share an exciting opportunity our wheelchair users had in school last week.

Whizz Kidz (a wheelchair skills charity) ran a training day in school. Our wheelchair users practised skills such as staying on the left, letting others know when they are reversing, knowing when to turn, managing bumps and ramps safely and weaving in and out of objects.

What a wonderful experience and great skill building too!

Happy weekend!
