

# **Turves Green Primary School** Newsletter

3RD OCTOBER 2025

Hello parents and carers,

I hope you have had a wonderful week and are looking forward to the weekend ahead!

We have had a great week at Turves Green Primary School.

Our amazing year 3 and 4 pupils competed in a brilliant athletics competition - they took part in a javelin throw, a relay race and a long distance race! All of the pupils represented us brilliantly and we are immensely proud of them.

Continuing with the sports theme, our cricket coach has been in this week and worked with our year 5s, who picked up the cricket skills fantastically! Year 1 will be taking part next week!

Speaking of year 1 - they have enjoyed learning about Bob Marley and his music and impact on history. The pupils have loved learning about his life and his music.

Today, we had a whole school live assembly, which was joined by hundreds of other pupils digitally from across the country. We celebrated the start of Black History month. The children identified key individuals from the past and present, as well as understanding how we can be proud of ourselves and each other.

In our dinner hall this week, children were able to take up the offer of a film inspired menu. I heard from some children that the food was delicious and they really enjoyed exploring the different tastes. Additionally, one wonderful student, Fin, won an award for his amazing manners and courteous attitude towards everyone - he is such a great role model and his reward was truly well-deserved.

I hope you have a wonderful weekend - hopefully the rain dries off!

## Composer of the week Fats Waller (1904-1943):

Waller copyrighted over 400 songs, many of them co-written with his closest collaborator, Andy Razaf. Razaf described his partner as "the soul of melody... a man who made the piano sing... both big in body and in mind... known for his generosity... a bubbling bundle of joy". It is likely that he composed many more popular songs than he has been credited with. When in financial difficulties, he had a habit of selling songs to other writers and performers who claimed them as their own. He died from pneumonia, aged 39.

Have a conversation about the story behind these pictures which were shown in our No Outsiders assembly this week and how they link to No Outsiders and British Values:

# Outdoor Play and Learning

It's that time of year again where we start to collect more items for our children to play with outside at breaktimes and lunchtimes. Last year, we had some fantastic donations from many families in our school community. Thank you so much for that!

Next week, we would like to ask children if they have any Lego, dinosaurs, vehicles or dolls that they no longer play with to be donated for all to enjoy. It might help you have a little bit of a clear out too. Teachers will also share this information with children. They should bring the donations into class with them. Let's see which classroom can cross off the whole BINGO card.
