

Turves Green Primary School Newsletter

Dear Parents and Carers,

I hope you had a wonderful half term week together. It has been delightful to welcome all our pupils back to school and see them refreshed and ready to learn!

Year 2 visited Birmingham's Botanical Gardens this week! The children enjoyed learning about different plants, spotting tropical birds, and walking through the beautiful glasshouses. It was a great day of hands-on learning and adventure in nature! They even, very kindly, brought me back some wonderful gifts, which are now on display in my office!

We have had some changeable weather this week, which has meant some rain. Please do remember to send your child with a coat and wellies if you have them on days that it is wet,

as we would like them to go outside whatever the weather!

Taking Leave in Term Time

May we please remind parents that holidays should be taken during the school holidays and not in term time. One family has been <u>fined £560.00</u> for taking their child on holiday during term time.

Reporting Absence

As per our policy, any absences from school need to be reported. You can report your child as absent by calling the school office **before 8:30am** or on the studybugs app.

Appointments

Appointments should be made outside of school hours where possible. Any appointments during school hours also need to be reported, we need notice of appointments and proof of the appointment so we can authorise it. However we do understand that sometimes appointments are booked on the day, if this is the case please let us know as soon as possible.

Composer of the week Georges Bizet (1838-1875):

Georges Bizet was born in Paris, France. Both his parents were musicians, and they actually wanted their son to become a composer when he grew up! Bizet loved music, but he also loved to read books. His parents wound up hiding his books so that he would spend more time on his music.

When Georges was 10 years old, his father enrolled him in the Paris Conservatory. While he was there, he wrote his only symphony, but it wasn't performed until many years after he died. Bizet graduated from the Conservatory with awards in both composition and piano.

Bizet also composed operas. His most famous opera is Carmen. When Carmen first opened in Paris, the reviews were terrible. Many critics said there were no good tunes in it, so audiences stayed away.

In the middle of the night during the first round of Carmen performances, Bizet died. He was only 36. Four months later, Carmen opened in Vienna, Austria, and was a smash hit. It is now one of the most popular operas ever written. Bizet never knew that audiences would come to consider it his masterpiece.
