8TH FEBRUARY 2024

Dear Everyone,

We have reached the half way point of the school year and a busy time it has been!

This week children in Years 3 and 4 had the opportunity to undertake Bikeability training to ensure that they are safe when out and about on their bikes. Bikeability are hoping to return to us later on in the year when they will teach bike riding skills to children in Years 3 and 4 who are unable to ride a bike.

Safer Internet Day was also this week and the children took part in assemblies all about keeping safe online. See the poster below for details of how to stay SMART online.

Today, parents and carers of children in Year 5 were invited into school for a Maths workshop on the wonderfully challenging world of fractions, decimals and percentages.

Thank you to everyone for your kind donations. A total of **£225** was raised towards the spectacular summer production.

Lets hope for some brighter weather next week for the half break. We will see you all on Monday 19th February.

Upcoming events:

- Monday 19th Feb - Children Return to School
- Friday 23rd February - Young Voices Choir to attend the Young Voices Concert
- Monday 4th March 2pm - 3pm SEND Coffee Afternoon. Process of applying for an EHCP

Internet Safty Tips:

BE SMART ONLINE

S SAFE Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M MEET Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk.

A ACCEPTING Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R RELIABLE You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T TELL Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or www.childline.org.uk.

BE SMART WITH A HEART Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
