8TH MARCH 2024

Dear Everyone,

What a colourful way to end a week. It was fabulous to see staff and children dressed as either their favourite character or super cosy in their nightwear.

Next Friday is another opportunity for the children to dress as something funny or wear **red** to school for Comic Relief.

5M thank you so much for your assembly! Your oracy skills were phenomenal and it was great to see so many parents and carers in attendance. We look forward to welcoming 5E's parents and carers at 2:30pm this Thursday.

Please remember that all afterschool sports clubs have now concluded for this half term. Details of next terms sports clubs will be sent out next week.

DON'T FORGET to book your parent/carer consultation evening in Arbor. This is a great opportunity to meet with your child's class teacher to discuss their learning and development and also see some of the amazing work they have done so far this year.

Have a great weekend!

Spring Term SEND Parent Reviews

In addition to our termly parents evenings, held with the class teacher, we also offer SEND Parent reviews each term. These are held during the school day and are an opportunity for families to meet with myself and the class teacher to discuss the child's special educational needs and/ or disabilities. Due to the short length of the Spring Term, these will be held in week 2 of the Summer Term.

Appointment information will be sent out via Arbor immediately after the Easter holidays, so if your child has an EHCP, SSPP or is at SEN Support, please do request an appointment then.

I will be available for 'drop ins' regarding SEN concerns for all other children in school during the Parents Evenings on 20th and 21st March.

We look forward to celebrating progress and agreeing next steps with you after Easter.

Please see link below for an upcoming workshop from the Communication and Autism Team:

Makaton

Makaton is a unique language programme that uses symbols, signs and speech to enable people to communicate. It supports the development of essential communication skills such as attention and listening, comprehension, memory, recall and organisation of language and expression.

Each week, we will be learning four new words. Please see below this weeks words to practise at home
