9TH SEPTEMBER 2022

Dear Everyone,

What a very sad end to what has been a lovely few first days back at school. From our very youngest new starters in EYFS to our oldest year 6 children and all those in between the children have come back very keen and ready to learn. They have all remembered and are demonstrating our 3 very important school rules of being Ready, Respectful and Safe. They look very smart in their school uniform. Please make sure that all items have their name at least written in them. Children should now be wearing school shoes and not trainers and all hair longer than shoulder length should be tied back.

Remember school doors open at 8:40 am and all children should be in the building by 8:50am. School ends at 3:10pm and it is essential that children are collected on time. We do not have the staff available to look after children regularly collected late. We will be sending out more information in the coming weeks about the activities the children will be involved in.

Have a good weekend.

Her Majesty Queen Elizabeth II

It is with great sadness that we join with the nation in mourning the death of Her Majesty The Queen.

Our thoughts and condolences are with Her Majesty's family at this difficult time.
